DHANUKA NAVOD

Software Engineering
(Undergraduate)

ABOUT ME

Hello, I'm Dhanuka Navod, a 3rd year software engineering undergraduate student at University of Kelaniya. My academic journey has equipped me with a solid foundation in software development, emphasizing coursework in OOP concepts, Data structures, Databases and Web application development. Beyond the technical skills, I bring strong communication, time management and attention to details. Looking forward, I aspire to be a Full-stack Developer.

EDUCATION

University of Kelaniya

Bachelor of Science (Hons) in
Software Engineering (UG)
2022 - present
Current GPA -
3.76

G.C.E. A/L (2020) - 2180558

Chemistry - A
Combined Mathematics - B
Physics - B
General English - A (2019)

PROJECTS

Book Management System

Github Link : <https://github.com/peheliyanavod/crud.git>

Technologies : React, Express, NodeJs, Mysql

Developed a Book Management System that facilitate the management of a library's book inventory. The system supports essential CRUD (Create, Read, Update, Delete) operations, allowing for efficient management of book data.

PostSnap

Github Link : <https://github.com/peheliyanavod/PostSnap.git>

Technologies : React, Express, NodeJs, MongoDB

A social media application. Capable of user login & registration, posting, react and comment to the posts. post images upload to the firebase storage.

SKILLS

- Leadership Skills
- Problem solving
- Teamwork
- Critical Thinking
- Communication Skills
- Adaptability
- Time Management

LANGUAGES

- Sinhala
- English

Friends App

Github Link : <https://github.com/peheliyanavod/Friends-App.git>

Technologies : HTML, CSS, JavaScript, PHP, Mysql

A php CRUD website which can login and add existing accounts as friends.

Portfolio

Github Link : <https://github.com/peheliyanavod/React-Portfolio.git>

Website : <https://react-portfolio-gray-chi.vercel.app/>

Technologies : React, Tailwind

A react portfolio hosted with vercel which is capable of downloading my cv.

PickMatch

Github Link : <https://github.com/peheliyanavod/PickMatch.git>

Technologies : HTML, CSS, JavaScript, PHP, Mysql

(Group project)

Developed for a group assignment SENG-21253. Cricket equipments E-commerce website with user login and registration, shopping cart, admin panel, dummy card payment, user review.

OTHER QUALIFICATIONS

- Successfully Completed the Diploma in Information Communication Technology (ICT) at Institute of IT Education, Sri Lanka (2017).
- Successfully completed Java and Python programming certification course(2021).
- Successfully completed a training at People's bank(2021).
- Completed a Figma course in Udemy (2023).
- Following Introduction to Front-End Developer course in Cousera.
- Following Introduction to Cloud course in Cousera.

EXTRA CURRICULAR ACTIVITIES

- Won the 2nd Runner Up, under 17 Volleyball event at Inter House Sports meet (2016).
- Participated in Junior-Hack (2022).
- Participated in PyHack (2023).
